News item captioned "A Government Backed Scam for all Seasons"

***135. SHRI PRAMOD MAHAJAN:**
SHRI VIREN J. SHAH:

Will the Minister of FINANCE be pleased to state:

(a) whether Government's attention has been drawn to a report published in the Times of India (Business Times) Bombay edition of February 6, 1995 under the heading "A Government backed scam for all seasons";

(b) if so, what are the facts and details of various issues raised in the above report;

(c) whether Government have made any enquiry into the various issues raised and allegations made in the above report; and

(d) if so, what are the details thereof and what action Government have so far taken in the matter?

THE MINISTER OF STATE IN THE MINISTRY OF FINANCE (DR. DEBIPROSAD PAL): (a) to (d) The news item captioned "A Government backed scam for All Seasons" in the Times of India dated 6th Feb., 1995 regarding All Seasons Foods Ltd., inter-alia, raised the following issues:—

(i) Waiver granted by the erstwhile controller of Capital Issues to the Rights issue by the Company in 1990-91;

(ii) Withdrawal by certain banks of the underwriting commitment given to the Issue; and

(iii) Other irregularities by the company such as non-payment of dividents, mis-statement in the prospectus regarding financial performance, failure to hold Annual General Meeting within the stipulated time, etc.

The right issue by all Season Foods Ltd., of fully convertible Debentures amounting to Rs. 10.37 crores opened on

October 30, 1990 and closed on 27th March, 1991 after obtaining Controller of Capital Issues's waiver to keep the issue open for a period exceeding 60 days. Although the CCI guidelines inforce at that time laid down that a Rights issue could be kept open for sixty days only, the extension in the present case was given taking into consideration the depressed investment climate prevailing at that time.

Eleven Banks including UCO Bank originally agreed to extend under-writing support to the Rights issue. After the issue developed the underwriters did not fulfil their commitment on grounds that the Company did not comply with the terms and conditions of underwriting commitment.

On the irregularities by the company, the Deptt. of Company Affairs conducted inspection in June, 1992 and based on the inspection, launched prosecution proceedings under various provisions of the Companies Act in July-Aug., 1992. However, by an order of Bombay high Court the Company was wound up on 11.11.92 and the liquidation proceedings are being conducted by the official liquidator, High Court of Bombay.
